

CURRICULUM VITAE

BRUCE ALPE, MSM, CPP

Security Expert

Houston, Texas | (832) 767-2480 | Bruce@thealpegroup.com

PROFESSIONAL SUMMARY

Founder of The Alpe Group, a security consulting and expert witness practice offering security assessments, risk management consultation, and expert testimony with a focus on premises liability.

More than 30 years of experience as a 25-year FBI Special Agent and Supervisory Special Agent, corporate security executive, Senior Director of Security for one of the largest houses of worship in the United States, and real-world, operationally proven command experience leading tactical operations and responses to active shooter, explosive threats, and terror related incidents.

Awarded the FBI Medal of Excellence for designing and executing security strategies that strengthened physical security standards, insider threat detection, compliance posture, and mitigated organizational risk.

Recipient of the FBI Director's High-Impact leadership award. Exemplary compliance record across nationally recognized programs and credited with multiple new best business practices as Super Bowl LI's Coordinator.

Achieved the Certified Protection Professional (CPP) designation — the highest board certification in security management by ASIS International — and a Master of Science in Security Management.

PROFESSIONAL EXPERIENCE

National Football League (NFL), Houston, Texas

Security Consultant and Integrity Representative (May 1, 2026 – Present)

Serve as the NFL's designated Integrity Representative in the Houston market, for integrity related investigations and security oversight responsibilities at NFL games and events.

The Alpe Group

Founder (February 2026 – Present)

Partnering with clients to design and implement tailored security and risk management solutions that protect what matters most staying ahead of evolving threats and ensuring long-term resilience.

Joel Osteen Ministries and Lakewood Church, Houston, Texas

Senior Director of Security (April 2022 – January 2026)

Provided executive-level leadership and strategic oversight of security, risk and emergency management operations, and executive protection 24/7 for Joel Osteen, including threat mitigation strategies and resolutions.

Commanded successful responses to an active shooter (February 11, 2024), an explosive threat (December 24, 2024), and a terror related incident (August 10, 2025), missing persons, and weather emergencies, safeguarding lives and maintaining mission continuity under crisis conditions.

Developed holistic, layered physical security and executive protection programs leveraging existing resources, recent technology, personnel, intelligence, operational plans, and assessments to achieve acceptable risk levels.

Selected, implemented, and managed Weapons Detection Systems (WDS) scanning thousands of guests weekly at a venue with a seating capacity of over 16,000, the first known at a house of worship in the United States.

PNC Financial Services, Multi-State Region

Corporate Regional Security Director (May 2020 – April 2022)

Led physical security operations at more than 1,000 banking locations, ATMs, and corporate offices from Florida to California. Managed and developed a team of ten Physical Security Specialists.

Spearheaded the large-scale conversion of 490 BBVA branch locations to PNC security standards, ensuring all construction and renovation projects achieved full inspection compliance.

Oversaw convergence of access control, video surveillance, alarm, and security management systems, achieving standardization and improved efficiency without compromising the quality of service.

Oversight responsibilities for resiliency, security incidents, including robberies, assaults, property damage, investigations, and compliance with banking regulations and policies.

Independent Security Consultant, Professional Sports & Entertainment

Security Consultant (November 2019 – May 2020)

Served as Director of Security for the Houston Roughnecks football team responsible for safeguarding team offices, personnel, equipment, all travel aspects, and for conducting sensitive internal investigations.

Established and executed game day security operations, including command coordination and crisis management for professional football games at TDECU's 40,000 seat stadium on the University of Houston campus.

Developed a player education initiative addressing situational awareness, professional law enforcement interactions, and understanding the risk associated with sports gambling.

Coordinated and directly managed security for ESPN's executives, and on-air talent at the CFP National Championship, Mercedes-Benz Superdome, New Orleans.

Federal Bureau of Investigation (FBI)

Special Agent / Supervisory Special Agent / Unit Chief, Chief Security Officer Program (1995 – November 2019)

25-year record of accomplishments, including leadership positions in security, crisis management, and as On-Scene Commander during the Hurricane Katrina preserving mission-critical communications through the rapid deployment of aviation, and emergency assets, achieve accelerated operational restoration relative to peer agencies and other tenants, while providing direct employee support.

Served as FBI Super Bowl LI Coordinator (2016–2017), leading the Bureau's strategic, tactical, and logistical operations in coordination with the National Football League (NFL) and local, state, and federal authorities.

Led a nationally recognized security program overseeing polygraphs, secure communications, SCIFs, classified materials handling and storage, and the lifecycle management of 1,000+ Top Secret clearances, including adjudication and revocation, achieving full compliance with zero audit findings. Awarded the FBI Medal of Excellence for Security Program accomplishments as Chief Security Officer.

Managed FBI critical incident programs including Evidence Response, Special Events, Bomb Technicians, Crisis Management, Hazardous Materials, and Special Weapons and Tactics (SWAT). Directed the execution of more than thirty high-risk tactical operational plans.

Chief Security Officer role included oversight of the master security plan for the construction and security operations of a 300,000-square-foot FBI Field Office spanning over two years of construction.
